

Student Outreach Series

BCWLE is launching a new scholarship fund and presentation series that will provide information, encouragement, and leadership for students, especially young women, wishing to pursue a career in law enforcement.

Scholarship Fund

BCWLE is launching its new scholarship fund in January of 2023, awarding six \$2125 scholarships to young women who are enrolled or have an accepted application to a post-secondary institution and are considering a career in law enforcement.

In-School Presentations

In 2023 we will begin our in-school presentation series, where we will provide information and encouragement for youth looking to pursue a career in law enforcement. The presentations will speak about topical issues related to equity, diversity, inclusion and leadership.

Community Engagement

There has been an increasing external and internal emphasis on diversifying law enforcement, so that agencies more accurately represent the community they serve. BCWLE members will act as positive role models, demonstrating to female youth that law enforcement is a career path open to them.

Mentorship Program

Our BCWLE scholarship recipients will be presented with the opportunity to participate in a long-term mentorship program with BCWLE members. This will provide the unique opportunities such as ride alongs, facility tours, and the chance to learn from our members first-hand experiences as they pursue a career in law enforcement.
